### **What is JET?**

The JET Programme started in 1987 with cooperation from governments of participating countries. In 2014, there were 4,476 participants on the Programme from 42 countries.

The Japan Exchange and Teaching Programme seeks to enhance internationalisation in Japan by promoting mutual understanding between the people of Japan and those of other nations. The Programme aims to enhance foreign language education and promote international exchange at the local level through the fostering of ties between Japanese youth and foreign youth alike.
